PAINTING IN PAPERS

a one- or two-day learning experience with John Andrew Dixon

Intuitive Collage
Friday, June 6
10am to 5pm
\$85

Choose one or both of these hands-on workshops to be held at Kleinhelter Gallery. Explore expressive collage within a fine art approach.

Innovative paper artist John Andrew Dixon is internationally recognized for his contemporary collage miniatures and distinctive plein air landscapes. While offering practical demos and guiding perspectives, he encourages participants to investigate the medium of collage in a supportive environment. His exercises focus on materials, techniques, and the aesthetics of visual design, combined with an emphasis on intuitive spontaneity, all within a process of your personal creative exploration.
